### Legend

#### Average Per Pupil Transportation Costs - Status

- Below the Per Pupil Statewide Average (108 districts)
- Above the Per Pupil Statewide Average (219 districts)

#### Notes:

The net operating transportation cost per pupil for each district in FY 2022 will impact the amount of transportation aid a district may receive for FY 2024. The per pupil amount is the district's net operating transportation cost divided by the district's October 2021 certified enrollment less any shared-time non-public students.
