

IASB Update for AEA Superintendent Meetings October 2022

Register for the ISFLC December Conference

REGISTER NOW. The [ISFLC December Conference](#) on December 14–15, 2022 is the first of two conferences offered in the winter as part of the [Iowa Superintendents Finance and Leadership Consortium \(ISFLC\)](#) program. These conferences are developed for current and aspiring superintendents, as well as school business officials. All session tracks are led by Iowa experts with skills and expertise in identified criteria areas. Visit [IASB's website](#) to learn more about the seven thought-provoking tracks offered at the December conference and register.

If you have questions, please contact Tiffany Rudd at truidd@ia-sb.org.

Remind Your Board to Appoint a Delegate Ahead of IASB's Delegate Assembly & Annual Meeting

IASB bylaws give each member board a delegate who casts the board's votes on issues before the Delegate Assembly. School board members provide input on IASB's legislative platform and your priorities help influence legislators and the governor. By participating in this debate process, school, AEA and community college boards contribute to IASB's legislative program and ultimately the unified legislative interests of all Iowa school boards.

Make sure your district's voice is heard—remind your board to appoint a delegate to attend IASB's [Delegate Assembly & Annual Meeting](#) on Wednesday, November 16, 2022.

If you have questions, please contact Stephanie Rousseau at srousseau@ia-sb.org.

Timely Tools & Resources

TOOL OF THE MONTH—SCHOOL CALENDAR TEMPLATES

NOW AVAILABLE. It's already time to begin planning for FY 2023–24. As part of that planning process, it is the responsibility of the superintendent to develop the annual school calendar for adoption by the board. IASB provides superintendents and boards with [sample calendars](#) to assist with these decisions. To find a sample calendar for the 2023–24 school year, visit [our website](#) today.

If you have questions, please contact Marte Brightman at mbrightman@ia-sb.org.

POLICY REFERENCE MANUAL & POLICY PRIMER UPDATE—HF 802 & TRANSPARENCY

Recently, the Iowa Department of Education notified K-12 public school districts across the state of concerns related to district compliance and training on the requirements of HF 802. More specifically, the department notified districts that the DE intends to look for updated board policies on the topics of curriculum and instructional materials.

IASB is here to support districts with these updated changes. Visit [IASB's website](#) to access the *Policy Reference Manual* for additional information.

If you experience issues accessing your online subscription or have questions regarding the *Policy Reference Manual* or *Policy Primer*, please contact Marte Brightman at mbrightman@ia-sb.org.
