

IOWA'S SCHOOL SAFETY ASSESSMENT & MANAGEMENT PROGRAM

DEVELOPING TRAINERS

The Iowa Governor's School Safety Bureau is developing trainers interested in training school teams across Iowa on the new I-SSAM program.

QUALIFIED PROFESSIONALS INCLUDE:

1. A local law enforcement official
2. A representative from juvenile court services
3. A mental health professional
4. A social service representative
5. A school official

STEP 1

If your experience falls within the above professions, and you have interest in becoming an instructor, you will need to complete the school team training first. Several school team trainings are scheduled and sign-up is available now.
