

# THE VALUE OF YOUR IASB® MEMBERSHIP

IASB® is committed to serving Iowa school boards and public education. We support our members with education, advocacy and services aligned to the mission and vision. Thank you for your continued membership.

**MISSION:** To educate, support and challenge public school board members in their pursuit of world-class education for all students in Iowa.

**VISION:** All Iowa school boards utilize effective governance practices, which contributes to Iowa's being a leader in education.

## Members-Only Benefits

IASB® member resources help you stay current and make good decisions through effective governance and leadership.

### Newsroom

Weekly *Board Briefs* emails (which include *NewsClips*, advocacy updates, *Data Boost* and more) and social media channels keep members up-to-speed on education in Iowa and across the nation.

# Value-Added Services

IASB® offers added-value services for an additional subscription fee. These programs are designed to provide one-on-one consultation and detailed assistance for member boards.

[www.ia-sb.org/services](http://www.ia-sb.org/services)

## Policy Subscription Services

The *Policy Reference Manual* contains sample board policies, administrative regulations and forms needed by school districts to comply with state and federal laws. Additionally, subscription to the *Policy Reference Manual* includes quarterly and special release updates through our *Policy Primer* newsletter. This newsletter issues new policies and/or updates to existing sample policies including explanations of why the policies are needed or laws that have changed impacting policy.

## Service Recognition Program

IASB® offers three awards for sale to help honor school board members, student board members, and staff for their service, hard work and dedication to public education.

## Affiliated Programs

IASB® provides members with access to programs that can assist the governance team in critical areas of support, including governance and leadership, risk management, financial responsibility, human resources compliance and facilities management.

## Survey Services

This service is designed to provide districts with invaluable data. We manage everything, from designing and posting the survey, to tracking, downloading and analyzing the data, to preparing and delivering the reports.
