Aisle Booth (10' x 10')

10x10 Aisle Booths provide a defined, professional space that's perfect for meaningful engagement. Each booth includes a full back curtain backdrop and two side dividers, creating a structured layout that helps frame your brand and naturally guide visitors into your space. This setup is ideal for vendors who want a focused environment for conversations, demonstrations, and displays—while still offering plenty of room for banners, tables, stools, and décor elements.

Corner Booth (10' x 10')

10x10 Corner Booths are designed to maximize visibility and flow. Each corner booth includes a full back curtain backdrop and one side divider, creating a more open layout that allows for a wider audience entry point. This setup gives your brand exposure from multiple aisles while encouraging guests to step in and engage. With ample room for banners, stand-up displays, tables, stools, and rugs, this booth option is ideal for vendors who want a professional presence with, increased foot traffic and openness.
