

Annual Board Awards Program

The IASB Annual Board Awards Program acknowledges the extensive time and effort required of school board members who continually strive to expand their knowledge and skills for better board governance. Each learning event attended earns hours, and 15 hours are required to earn the Individual Award. The program runs **November 1 through October 31**.

Annual Recognition for Commitment to Ongoing Learning

IASB's Board Awards highlight commitment to professional growth. There are three types of awards: the Individual Achievement Award for board members; the Team Achievement Award for a board team; and the Award of Honor, which is given to a superintendent/AEA administrator/community college president. For more details on each award, visit: www.ia-sb.org/ABA.
