

Report for FY 2024-25

Revenues Received from Members and Costs of Contacting Legislators

Issued October 2025 for distribution to IASB Delegate Assembly, November 19, 2025

lowa Code 279.38 requires the lowa Association of School Boards to annually publish financial data in two areas. This report is issued in compliance with this requirement.

Report on Revenues Received from Members

The attached report shows for each eligible member entity the total annual revenue received from membership dues; participation in convention and conferences; and subscriptions, workshops and other IASB services. It is not intended to reflect all revenues of the association which may be received from other sources such as sponsorships, royalties, or interest.

Note: Major services provided with membership include information, data and research; consulting from IASB professional staff; representation/lobbying with the lowa legislature and state agencies; and the ability to take part in IASB fee-based or value-added services.

Report on Costs of Contacting Legislators

Based on the Independent Auditor's Report prepared by Creative Planning (Formerly BerganKDV, Ltd.), for the year ended June 30, 2025, IASB expended \$51,346 on contacting legislators in FY 2024-25. This amount is based on interpretation of Iowa Code 68B.38 and 279.38 and the published rules of the Senate and House of Representatives regarding costs to be tracked for lobbyist reporting. Costs of contacting Iowa legislators include salaries of registered lobbyists, prorated for time spent in legislative contacts and directly related activities; fees, retainers, and reimbursement of expenses paid to a lobbyist for direct lobbying of the legislative branch.

This figure does not include the costs of additional government relations functions or salaries of employees who are not registered lobbyists. These include functions such as platform development, issue research, bill analysis, education and information provided to members, facilitating local contacts with legislators by members, media relations to enhance public understanding on legislative issues, or federal advocacy.

IASB strives for transparency, accountability and sound fiscal stewardship. Copies of IASB's audited financial statements and federal nonprofit tax statement (Form 990) are available upon request.

Questions may be directed to Calvin VandeKrol, Chief Financial Officer, cvandekrol@ia-sb.org, (515) 247-7030.
