Learn About the Beliefs, Resolutions and Legislative Priorities Approved at IASB's First-Ever Virtual Delegate Assembly

Nearly 200 delegates from the Iowa Association of School Board's (IASB) member school boards and area education agency (AEA) boards gathered virtually for the Delegate Assembly on Nov. 17 to conduct the annual meeting and set the platform for the 2021 legislative session.

Delegates approved five legislative priorities, including a COVID-19 Remediation priority in support of additional resources for districts and AEAs to identify achievement gaps and provide remediation for students impacted negatively by loss of instruction due to COVID-19 school closings.
