

# School Districts with a Change in Superintendents, Business Managers, and Board Secretaries for the 2021-22 School Year

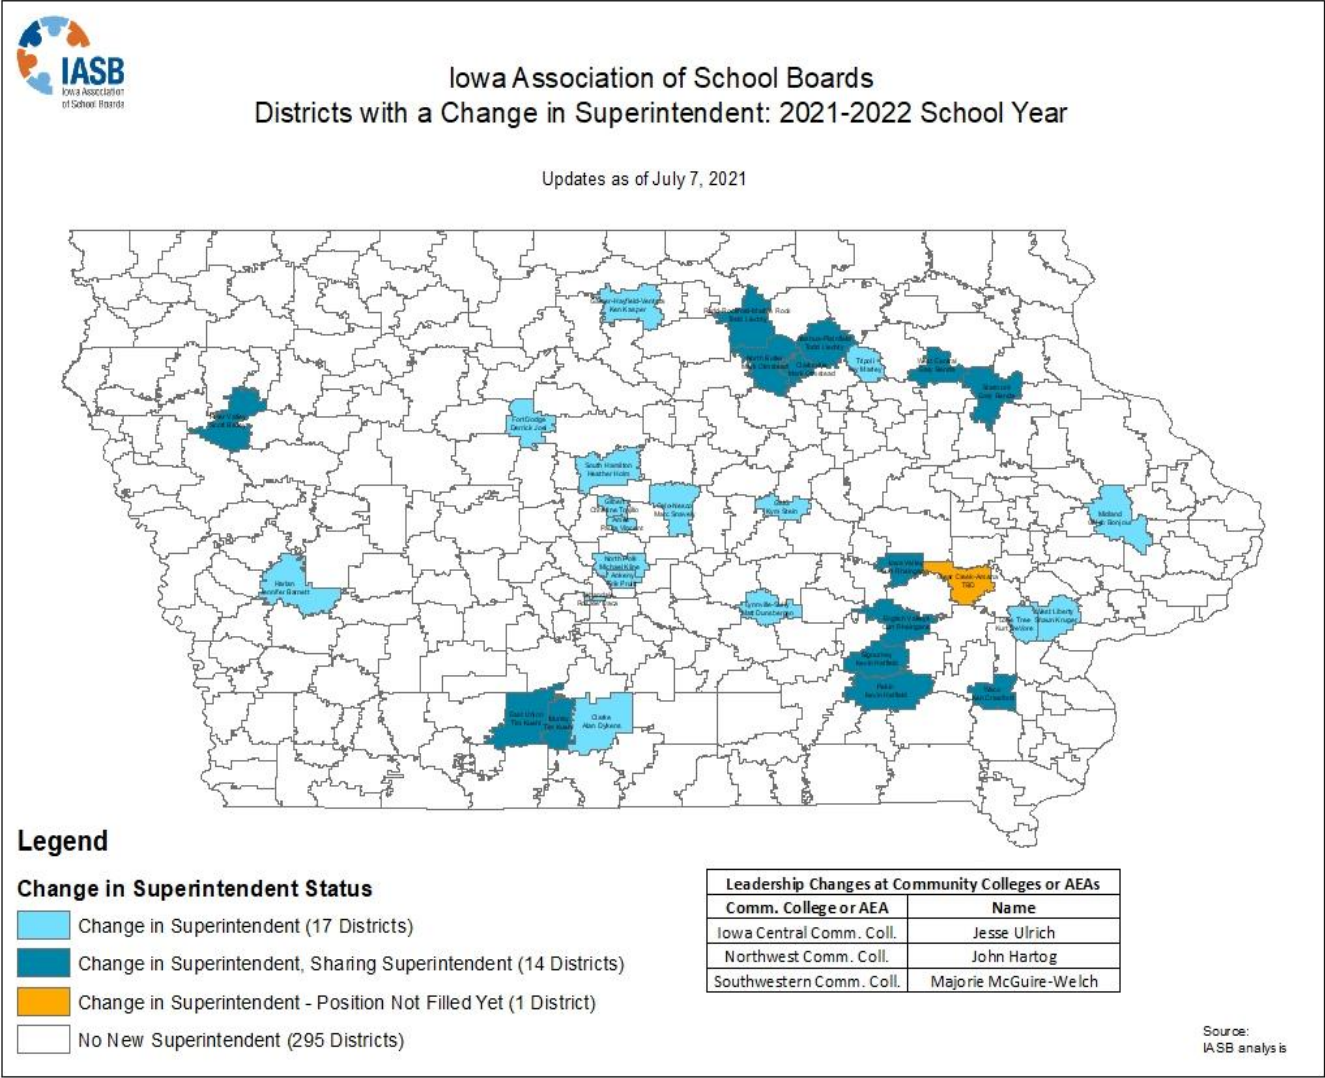

The Iowa Association of School Boards collects and compiles information pertaining to changes in superintendents and business managers/board secretaries. Information includes (if available), the new hire’s name, the new hire’s previous position and school district, and effective date. The information is located on the [HR Central Salary and Personnel Resources Toolbox](#). The information is obtained through collaboration with the School Administrators of Iowa (SAI), news postings, and district outreach.

## Superintendent Changes

The following chart provides the number of school districts with new superintendents between the school years of 2011-12 through 2021-22 (as of July 7, 2021). The number of changes in 2021-22 decreased to 32, including 14 districts that have a superintendent that is shared with at least one other district. The number of districts that made a change in superintendent for 2021-22 is the lowest number of all years shown.

The following map provides school districts that had a change in superintendents for the 2021-22 school year (information updated through July 7, 2021). Based on the current data, there are 32 school districts that have changed superintendents, including three superintendents serving as interims. [Click here to view a larger map](#) (or click on map below). Additionally, three community colleges have a new president.

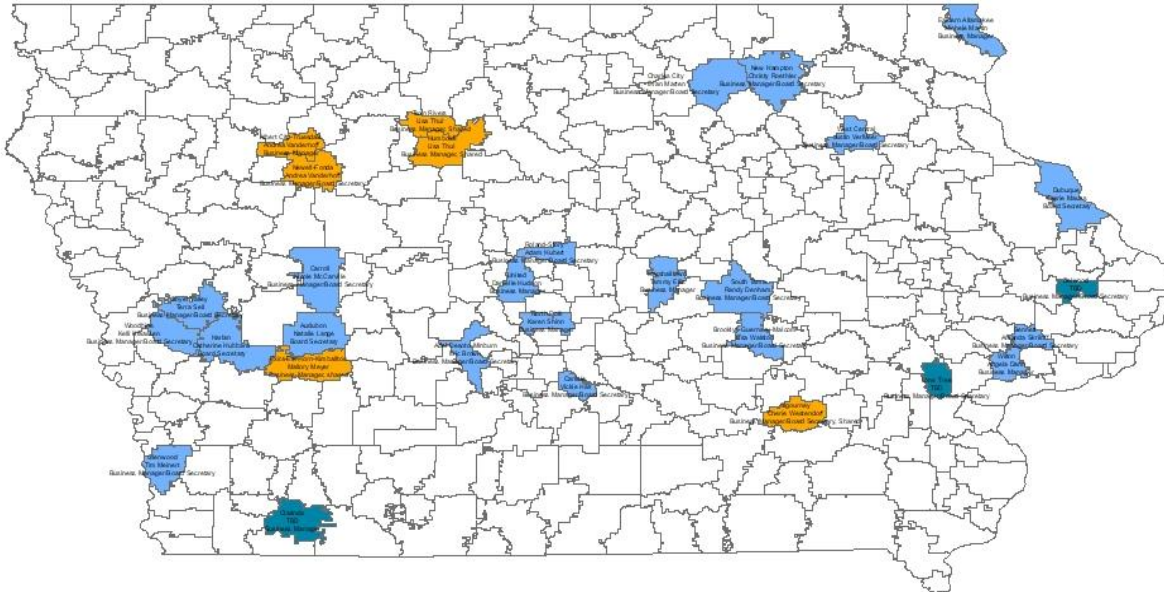

### Business Manager/Board Secretary Changes

The following map provides school districts that had a change in business managers and/or board secretaries for the 2021-22 school year (information updated through July 8, 2021). A total of 30 districts currently have a change in a business manager position or board secretary position for the 2021-22 school year. [Click here to access a larger map](#).
