

SCREEN & CLEAR CONTRACTORS FOR ACCESS TO YOUR SCHOOLS

Background Checks to Certify Contractors

Certified Contractors elevates third-party background screening to support consistent security practices. This service provides an easy-to-use credential that offers a clear picture of vendors through a powerful background check to meet your district's specific security concerns. Best of all, it's easy for Iowa Association of School Boards members to join!

Standardize Entry Requirements Districtwide

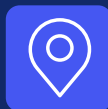

Protecting sensitive data, crucial technology, and your staff starts with a thorough screening of anyone needing unescorted site access. Certified Contractors makes it easy to help you set a standard for all contracted personnel by screening for the following:

- ✓ Applicant History Trace
- ✓ County / Statewide Criminal History
- ✓ Federal Criminal History
- ✓ Multi-Level Criminal History Search
- ✓ Sex Offender Registries
- ✓ Drug Testing

Trusted by Education Professionals Nationwide

Certified Contractors is a reliable resource in the education industry, serving both K-12 and higher education institutions alike. As our second-largest industry served, we partner with a diverse range of schools across the country, including public school districts, private education providers, and higher education institutions.

How we help schools close risk gaps during new hire screening

Filter out potential liabilities

Reduce exposure to unscreened contractors that may have past risky behaviors, violent crimes, or substance use.

Simplify compliance

Standardize vendor entry requirements to meet the full scope of industry compliance standards on time, every time.

Cover your bases

Increase reliability with annual rechecks or save time by ordering in bulk. Our system allows us to fit the solution to your educational institution's needs.

All certification levels include searches for misdemeanor and felony convictions for crimes involving:
