2020 LEGISLATIVE PRIORITIES OF IOWA SCHOOL BOARDS

Mental Health
IASB supports increased funding and school-based access for mental health services to all Iowa students.

School Funding
IASB supports improvement to the school foundation formula to address inequities, provide flexibility and enhance timeliness of funding decisions.

Supplemental State Aid
IASB calls for legislators to make decisions on growth in school funding by deadlines set in law so schools can responsibly plan local budgets, with a rate of growth that is sufficient for world-class schools.

Preschool
IASB supports increased funding to provide all 4 and 5-year-olds access to attend the Statewide Voluntary Preschool Program, including resources for transportation, wrap-around care and all-day preschool.
