

Remote Learning Requests

Due to the COVID-19 pandemic, the Department of Education has been accepting requests from school districts and school buildings to move to remote learning for a school building or school district. The status of each application request is available on the Department of Education’s website ([click here to access the information](#)). The Department updates this information frequently.

Below is a map that provides information pertaining to remote learning requests and the Department’s response from November 1, 2020 through November 10, 2020. Please note that the map provided by IASB is based on the most current available information from the Department’s website at the time of publication. The IASB will track this information and post updated maps on a weekly basis on the [IASB Coronavirus \(COVID-19\) Resources webpage](#). Note that currently all requests submitted between November 1 and November 10 have been granted.

To obtain up-to-date information on the status of Remote Learning Requests, [click here for the Department of Education's website](#).
