

IASB Update for AEA Superintendent Meetings October 2020

Tool of the Month—Family Education Rights and Privacy Act (FERPA) Guidance

As schools across the state head back to the classroom, we want to be sure governance teams have the tools and resources needed to face the challenges brought on by the pandemic. Among resources available on IASB's [Coronavirus \(COVID\) Resources page](#) is a new Family Education Rights and Privacy Act (FERPA) and the Coronavirus Disease guidance, FERPA FAQ and timely Ask IASBs.

Check Out Sessions Offered at IASB's 75th Annual Convention

Our flagship event turns 75 this year! Get a front row seat for the celebration at the first-ever virtual IASB Annual Convention! It will be fun and engaging, and even easier to attend since it's on a digital platform. It's just like the IASB Annual Convention you're used to—but you don't have to travel!

We've been busy preparing a stellar lineup of three general sessions, numerous education sessions and networking opportunities. To close out our convention, the third general session features NSBA's Chip Slaven and Deborah Rigsby discussing how COVID-19 and the 2020 election will shape education over the next four years. Brush Up on Proposed Rules, Platform and Key Dates for Delegate Assembly

Our first-ever virtual [Delegate Assembly](#) is just a few months away. Superintendents, now is the time to work with board presidents to add Delegate Assembly to your board agenda. Ensuring your board's voice is heard is just five short steps away:

1. **Submit your board's priorities:** If you haven't done so yet, submit priorities by [completing this survey](#). Nearly 300 districts have submitted priorities—thank you!
2. **Register your delegate:** You may only register one delegate per board. The deadline to register is October 27. [Register today!](#)
3. **Get familiar with key dates:** The amendment process has changed due to the virtual platform, and all amendments must be submitted in advance. Check out this [key dates graphic](#) for details. Send amendments to Phil Jeneary at pjeneary@ia-sb.org.

4. **Review delegate materials:** The agenda, proposed rules, proposed platform and other important documents have been added to the website. [Review them now](#), and have them at your fingertips on November 17.
5. **Show up on November 17:** The virtual platform makes it easier than ever to attend. We are counting on you to show up and advocate for public education!
